

Course name	French
Entity running the course	Foreign Languages Institute
Entity for which the course has been prepared	Faculty of Ceramics and Glass
Course type	Core course, compulsory course.
Year of study/semester; Type of studies	Year I, semester 1 and 2; full time bachelor's degree studies.
ECTS credits	1
Academic tutor	M.A. Małgorzata Mońska
Aim of the course	Introduction of specialized vocabulary and artistic language. Acquisition of the skill to use the specialized language in the scope of four basic language competencies: speaking, listening, writing and reading. Acquisition of the skill to communicate in the field of a general language at the advanced level, based on the handbook „Edito”.
Prerequisites	Knowledge of the language at the level of B1.
Learning outcomes:	
– <i>knowledge</i>	The student has an intermediate level knowledge of the language in the scope of the vocabulary necessary for describing the creative and artistic processes of various artistic techniques.
– <i>skills</i>	The student can independently analyze the artistic text in French of an average degree of difficulty. They have knowledge of a basic vocabulary and can apply it to the analysis and interpretation of a work of art and to expressing themselves.
– <i>personal and social competence</i>	The student can present their own artistic works and achievements. They take part in a discussion, express their opinions and judgements. They communicate in the scope of basic themes of art. They are prepared to take part in scholarship programmes and students exchange (Erasmus programme).
